Dear Sir:

The attached Form PTO-1449 includes all of the references set forth in the Information Disclosure Statement, filed July 25, 2007 but not considered by the Examiner for reasons set forth in her rejection mailed June 13, 2008. The listing in PTO-1449 also includes a reference cited by an Examiner in the prosecution of a related Chinese patent application. This reference is United States Patent 6,286,983. The Chinese Patent Office provided this reference less than three months ago.

The Information Disclosure Statement filed July 25, 2007 refers to a Form PTO 1449. It was inadvertently not filed electronically. A call by the Examiner regarding this error would have allowed Applicant to rectify this error. Applicant respectfully submits that none of the references cited in the PTO-1449 form filed herewith requires Applicant to pay additional fees and should also be considered by the Examiner. In addition if the Examiner requires additional copies of the foreign references cited, Applicant requests the Examiner contact Applicant.

**If the Examiner has any questions regarding this Information Disclosure Statement, Form PTO-1449 or the above-captioned patent application, the Examiner is invited to contact the undersigned.**
